AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

CHARTER

Organization

National Western Life Group, Inc.’s, (“Company”) Audit Committee (“Committee”) shall consist of at least three directors, including a Chairperson. The Committee shall be composed entirely of independent directors, as defined and required by the rules and regulations of the Securities and Exchange Commission (“SEC”) and The Nasdaq Stock Market, Inc. (“Nasdaq”), from the Company’s Board of Directors (“Board”).

No member of the Committee shall accept directly or indirectly any consulting, advisory, or other compensatory fee from the Company or any of its subsidiaries, other than directors’ fees for service as a director of the corporation, including reasonable compensation for serving on the Committee and regular benefits that other directors receive. Each member of the Committee must be financially literate, which means they must be able to read and understand fundamental financial statements, including a company’s balance sheet, income statement, and cash flow statement. At least one member of the Committee shall, in the judgment of the Board, be an Audit Committee Financial Expert in accordance with the rules and regulations of the SEC and satisfy applicable Nasdaq listing requirements.

The members of the Committee shall be appointed by the Board and shall serve until such member’s successor is duly elected and qualified or until such member’s earlier resignation or removal. The members of the Committee may be removed, with or without cause, by a majority vote of the Board.

Unless a Chairman is elected by the full Board, the members of the Committee shall designate a Chairman by the majority vote of the full Committee membership. The Chairman shall be entitled to cast a vote to resolve any ties. The Chairman will chair all regular sessions of the Committee and set the agendas for Committee meetings.

The Committee is not responsible for certifying the Company’s financial statements or guaranteeing the auditor’s report. The fundamental responsibility for the Company’s financial statements and disclosures rests with management and the independent auditors.

Duties and Responsibilities

The following functions shall be the common recurring activities of the Committee in carrying out its responsibilities. These functions should serve as a guide with the understanding that the Committee may carry out additional functions and adopt additional policies and procedures as may be appropriate in light of changing business, legislative,

regulatory, legal, or other conditions. The Committee shall also carry out any other responsibilities and duties delegated to it by the Board from time to time.

The Committee shall be given full access to the Company's Board, corporate executives, employees, independent auditors, and any internal audit group as necessary to carry out its responsibilities. While acting within the scope of its stated purpose, the Committee shall have all the authority of the Board.

The Committee, in discharging its duties, is empowered to study or investigate any matter of interest or concern that the Committee deems appropriate. As such, the Committee may, as it determines necessary to carry out its duties, engage independent legal, accounting, and other advisers without seeking Board approval.

The Company shall provide for appropriate funding, as determined by the Committee, for payment of: (i) compensation to the independent auditors engaged for the purpose of preparing or issuing an audit report or performing other audit, review, or attest services for the Company; (ii) compensation to any advisers employed by the Committee; and (iii) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

Independent Auditors

1. The Committee shall be directly responsible for the appointment, compensation, retention, oversight, and termination of the work performed by the Company's independent auditors (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review, or attest services for the Company. The independent auditors shall report directly to the Committee, and the Committee shall communicate this to the independent auditors. The Committee shall have the sole authority to approve all audit engagement fees and terms, as well as all significant non audit engagements with the independent auditors.
2. The Committee shall pre-approve all permissible audit and non-audit services provided to the Company by the independent auditors. Requests or applications to provide services that require specific approval by the Committee shall be submitted to the Committee by both the independent auditor and the Chief Financial Officer in writing with a detailed description of the service to be performed, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence.
3. Prohibited non-auditing services will be those services designated as such by the Public Company Accounting Oversight Board through regulation.
4. The Committee shall receive from the independent auditors a formal written statement delineating all relationships between the auditors and the Company,

consistent with Public Company Accounting Oversight Board (“PCAOB”) Rule 3526 – Communication with Audit Committees Concerning Independence. The Committee shall actively engage in a dialogue with the independent auditors with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor. The Committee shall take, or recommend that the Board take, appropriate action to oversee the independence of the outside auditors.

Legal Compliance

5. The Committee shall be responsible for establishing procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

Without excluding other possibilities, the Committee may wish to review with the independent auditor: (i) any accounting adjustments that were noted or proposed by the auditor but were "passed" (as immaterial or otherwise); (ii) any communications between the audit team and the audit firm's national office respecting auditing or accounting issues presented by the engagement; and (iii) any "management" or "internal control" letter issued, or proposed to be issued, by the independent auditor to the Company.

The QLCC will consider promptly each report of evidence of a suspected material violation, as defined in 17 CFR 205.2, by an officer, director, employee, or agent of the Company. The QLCC will not disclose, to the extent practical and appropriate under the circumstances necessary to protect the privacy of the persons involved, the identity of anyone who submits a report or participates in an investigation. The QLCC will retain the reports for a period of seven years after receipt of the report.

The QLCC shall determine whether an investigation is necessary regarding any report of

evidence of a material violation by the Company, its officers, directors, employees, or agents, and if it determines an investigation is necessary or appropriate, the QLCC shall:

- a) Notify the full Board;
- b) Initiate an investigation, which may be conducted either by the CS (or equivalent thereof), or by outside attorneys; and
- c) Retain such additional expert personnel as the QLCC deems necessary.

At the conclusion of any such investigation, the QLCC shall:

- b) Inform the CS and the Chief Executive Officer (or the equivalence thereof) and the Board of the results of any such investigation, and the appropriate remedial measures to be adopted.
